VOLUME CONTROL

The APart 19-VOL650 is a 19" panel, equipped with 6 pieces 100 Volt volume controls that can handle up to 50 watt of power each.

The volume controls are very durable due their the step by step attenuation in 11 steps + zero position. Each volume control is equipped with a 24V priority relais. This way a microphone call will always come through at maximum volume, no matter what position the volume control is in.

By using the 19-VOL650 you can adjust the loudspeaker level in different zones.

TECHNICAL SPECIFICATIONS

Type	19" metal
Handling power	6 x 50 watt
Voltage	100 Volt
24V priority	Yes
Attenuation steps	11 + "0"
Dimensions (H x W x D)	88 x 483 x 70 mm
Weight	1.4 Kg
colour	Painted black
